

BYBLOS WALL LIGHT

Referencing the proportions and ornament of classical lighting, this wall light reinterprets a traditional form through a contemporary lens. Its tapered shade and turned stem create an elegant, familiar silhouette, simplified through a monochromatic finish.

Moulded in resin and finished by hand with a painted plaster surface, the piece has a soft, lightly textured quality that unifies its form and gives the classical detailing a distinctly modern expression.

DIMENSIONS	180w x 320d x 400h (Approx. 3kgs.)
SPECIFICATION	• Resin with white plaster finish • Approx. 3kg • 1x Max 25W 240V E27 Lamp (light bulb not included) • Not suitable for external areas or wet areas and craftsmanship • Plaster finish can be delicate and care should be taken on all edges to avoid chipping or peeling of the finished surface • Fitting needs to be wired and installed by a certified electrician
