

BYBLOS HANGING LIGHT

Immersed in intricacies.

Illuminate the room in a raw and unpolished way. A hanging light of multitudes; a canvas of craftsmanship and the centrepiece of all the moments to come. Hand-moulded and painted so that no two are ever the same.

Using a hand-sculpted resin mould, a polymer plaster finish is applied by hand to achieve the off-white colouring. Massaged and swept around by the skilled craftsman with up to four coats added, it's textural, asymmetrical, individual.

DIMENSIONS	1250d x 910h (5.5kg approx.)
SPECIFICATION	• Resin with white plaster finish • 6x Max 10W B22 12V LED Lamps (light bulb not included), low voltage 12V 60W driver • Not suitable for external areas or wet areas • Fitting needs to be wired and installed by a certified electrician • Rod lengths of 0.5m & 1m available sold separately
