

JAVANESE URN

Beginning, middle, to end.

For the curated collection of world-worn pieces, a 60-year-old, statuesque Javanese urn. Trace history in every groove and each edge, marked by the original makers and tarnished – beguilingly – by time. Unique from every angle.

Historically, these ceramic vessels were used as a household items to store clean water or facilitate sacred rituals. Today, the water pots are cultural artefacts. They are reminders of the simplicity and wisdom of the past, entering the personal space with meaning.
