

MAUI DINING TABLE

Personal markings, captured in time..

Shaped by the hands of skilled artisans, each groove of this dining table is part of the story. Made to order, there is intentionality in the integrity. The past flows into the present as tales unfold around its edges.

Timber is collected from 100-year-old logs, then cut into planks and kiln-dried for seven days to reduce the moisture content. After another two days of cooling, the planks are assembled into boards and manually chiselled for eight weeks to create the deeply etched surface on all sides. Each groove is individually sanded and stained up to four times, ensuring the colour is fully absorbed, then sealed to finish. Two brothers worked in tandem over a total of 12 weeks to craft this piece, designed to pair with the rest of the Maui Collection, including the Maui Coffee Table and Maui Mirror.

DIMENSIONS	M	2600w x 950d x 750h (66kg approx.)
	L	3000w x 950d x 750h (70kg approx.)
SPECIFICATION	<ul style="list-style-type: none"> • 100-year-old kiln dried aged teak • Layered stain finish – dark brown • Table thickness between 30-40mm • Delivered pre-assembled • Recommended for indoor use
