

MOREAU HANGING LIGHT

Evocative, evolving.

Sculptural lighting that merges the high and low, a centrepiece that teeters on flamboyant. The floral shape is hand-moulded, then painted by artisans, merging cultures and stories with the raw-edged, natural world.

The hand-sculpted resin mould draws on inspiration from classical floral forms. A polymer plaster finish is utilised to achieve the distinct off-white colouring, applied by hand as it is brushed and massaged onto the mould. The result is a textured surface that flows over the fluid curves of the piece.

DIMENSIONS	1470w x 1420d x 800h (14kg approx.)
SPECIFICATION	• Resin with white plaster finish • 4x Max 10W B22 12V LED Lamps (light bulb not included), low voltage 12V 60W driver • Not suitable for external areas or wet areas • Fitting needs to be wired and installed by a certified electrician
