

PAPER POT

An icon of incongruity.

Juxtaposed edges – curved and fluid, straight and pointed – are only the surface of the statement pot's individuality. Pressed by hand, the concrete's blemishes are celebrated, influencing the shadows cast and the stories told.

Bleached concrete is hand-pressed and moulded by a skilled artisan until the desired balanced shape is reached. Upon drying, the concrete takes on an off-white tone, slightly porous in texture.

DIMENSIONS	S	640w x 500d x 580h (44kg approx.)
	M	700w x 550d x 810h (65kg approx.)
	L	850w x 660d x 1100h (92kg approx.)
SPECIFICATION	<ul style="list-style-type: none"> • Hand pressed glass fibre reinforced concrete • Off-white porous texture • Internal pot walls waterproofed with a water-based bitumen sealer • Fitted with drainage holes to base of object.
